

FAQ Tech Edge

1. How do I apply to for the Tech Edge Program?

Answer: To apply for the Tech Edge Program, follow these steps:

1. Visit the Tech Edge Homepage.
2. Under the "View Courses" section, click on the course you're interested in.
3. Scroll down the course page until you find the "Apply For Program" section.
4. Complete the required information.
5. After submitting the information, you will receive an email containing a Google Forms link.
6. Access the Google Forms link, fill out the required information, and submit your application.

If you encounter any issues or have further questions during the application process, please don't hesitate to reach out to our support team for assistance. We're here to help!

2. How are participants selected for the program?

Answer: The participant selection process involves three key steps:

1. **MCQ Questionnaire:** After applying, applicants will receive a multiple-choice questionnaire to assess their qualifications and fit for the program.
2. **Interview:** Qualified candidates will be invited to participate in an interview to further evaluate their suitability for the program.
3. **Notification:** Applicants will receive timely notifications regarding their selection status for the program.

3. What is the cost for the program?

Answer: The Program Fee is \$699.

4. Do you offer financial assistance for this cohort?

Answer: Yes, financial assistance is available for the first cohort of the program through the Grand Bahama Port.

5. How long is the course?

Answer The course duration is 8-12 weeks.

6. Is the program in person or online?

The program is a hybrid model, with the majority of courses conducted online. Additionally, there is an in-person session held weekly on Saturdays at the Susan J Wallace Community Center.

7. Do I have to live in Grand Bahama to be a part of the program?

Answer: No, residency in Grand Bahama is not a requirement for program participation. However, it's important to note that attendance at the weekly in-person sessions on Saturdays is mandatory for all participants, regardless of their place of residence.

8. Will I secure a job if I complete the program?

Answer: Quess, along with its extensive resources, is committed to providing you with the best possible opportunities by facilitating job interviews with their clients and potential employers. However, it's important to note that securing a job offer ultimately depends on your qualifications, performance, and engagement in the job search process. Employment outcomes are contingent upon meeting the criteria set forth by the hiring organizations.

9. Will I receive a certificate once I complete the course?

Answer: Yes, upon successful completion of the course, you will receive a course completion certificate issued by GBPA. Additionally, you will be ready to opt for the respective certification exams aligned with your chosen track. Here are the certification options for each track:

Cyber Security Track:

- CompTIA Network+
- Certified Ethical Hacking (CEH)
- ITIL Foundation Certificate

Cloud Computing Track:

- Azure 104 – Azure Administrator
- Azure 204 – Azure Developer

Mobile App Development Track:

- Google Associate Android Developer
